Alexandra,

Here are a couple of minor things to tidy up in our DPTs:

Alan

BSc Cognitive Science:

- * Linguistics and English Language 1 is not happening;
replace with LEL1a, LEL1b
- * Is there a reason to insist that students must take both?

CS&E:

Year 3 has 2 compulsory courses, Analogue circuits 3 and
Signal and Communication Systems 3.
The latter is not being given.
However, Signals and Communication Systems 3 is active.

The Electronics and CS BEng has no compulsory courses in year 3.
Suggest that we should mirror the EE DPT.
