

# Internet of Things Systems, Security, and the CCloud (IoTSSC)

Response to student feedback in 2018/19 course survey

I/We have taken note of the feedback from students in this course survey, and have the following comments in response.

- We are renewing the hardware inventory to avoid any library/OS incompatibilities.
- Lab instructions will be revised, to ensure consistency across all exercises.
- Lab documentation will be made available earlier.

**Paul Patras, 21 May 2019**
