

## Dean of Quality Assurance

We are looking to appoint a Dean in succession to Dr Gordon McDougall, whose term of office finishes on 31 July 2018.

The Dean will provide leadership for the development and implementation of quality audit and assurance processes in the College and for embedding learning from QA processes into degree programmes. (S)he will contribute to the wider management of the College, and to relevant academic planning. The postholder will also contribute to relevant academic planning and decision-making at the University level.

The appointment will be for 12 months in the first instance, but extended for a further 24 months on the basis of satisfactory performance. It is offered as a 30% secondment.

The Head of College, College Registrar and Dr McDougall are happy to discuss the post with interested parties.

Applications in the form of a CV, a statement on what the applicant believes (s)he would bring to the role, and the names of two referees should reach the College Registrar by **6 July 2018**.
