

# Estates update (1)

- Informatics Forum
  - Continuing programme of '3for2' conversions
  - Wolfson Wing decant summer 2017 (new heating and '3for2's)
  - Shortage of PGR desks for 17/18 – likely to require meeting rooms to be temporarily used as PGR rooms (eg 2.33) until DTI completed

## Estates update (2)

- Appleton Tower
  - Level 3 now handed back – in use by PPLS
  - Remaining levels handed back over next few weeks
  - Reiach and Hall appointed as architects for internal reconfigurations
  - Potential phased completion and handover summer 2017
  - More teaching space (inc practical labs and tutorial rooms), new level 9 MSc independent study suite and upgraded social/break-out spaces

## Estates update (3)

- Data Technology Institute (aka Thomas Bayes Centre)
  - Programme currently 11 weeks behind schedule but looking to regain two weeks
  - Occupancy still early 2018
  - Currently working with occupants to confirm requirements
  - Envisaged that parts of IPAB, first year CDT students and Informatics commercialisation will be located in DTI, amongst others
  - Design Informatics will occupy extended 'Inspace' on ground floor of Potterrow wing
