1. Minutes of the previous meeting ([04 May 2005](#))

PhD Recruitment - Miles Osborne was not present to give an update on this

Web Pages - Mirella is compiling a list of tasks. The web designer has sent around a template for the new pages.

2. Research Funding

Mark Steedman is currently working on ICCS becoming a member of an EU consortium.

Bonnie Webber's latest BBSRC proposal looks as if it may be successful.

Alex lascarides discussed EU Cultural & Scientific Heritage area within the general call. Johan Bos and Colin Matheson both may be interested in this.

3. AOB

Henry Thomson is hosting three W3C working groups in mid-September. Details will be circulated nearer the time. It was suggested that these should be advertised to as many people as possible to make sure all interested parties are aware. He also mentioned that Southampton will be running a www conference next year.

6. Date of next meeting
