SEU	01-Apr-16	30	3	6	2	255	54	32	22	1	11	416	11
(Scotland)	01-Apr-15	44	10	7		212	49	28	13	2	11	376	
Total @	1/4/2016	1297	148	104	51	1944	178	76	48	5	150	4001	

U (Unconditional), C (Conditional), F (Firm), D (Declined), R (Reject), I (insurance)

Targets: December target for SEU is 129 - as last year.

Offer level: we have gone with the highest offer this year, as last year: 60+ points (= SQA AAAA, IB 37, A level AAA+).

No further information on how to identify students who were admitted with a lower entry level and therefore need extra academic support.

2. POSTGRADUATE TAUGHT ENTRY - 2016/17 Intake @ 1st April 2016, by degree:

FIGURES @ 1st April 2016

MSc Fee Deposit Proposal: moved to College level (cross university group being set up to look at deposits, paper due to Fees Strategy Group by June) Action: Neil Heatley

MSc admissions:

- **English Language requirement:** we are in discussion with College re raising this. It may be straightforward for CogSci, but more evidence needed to make the case for other degrees. Action Helen Pain

- **Informatics role in MSc admissions process:** As previously reported, College are happy for us to take on more responsibility for this. Following concerns about the level of programming of some students (with CS degrees) we are following this up with College, and have potential volunteers for this. Action: Helen Pain

3. POSTGRADUATE RESEARCH - PhD Applications by Institute: @ 12/April/2016

Institute	C	CF	CD	U	UF	UD	R	Other	Pend	W/d	Total
