

# **Foundations of Natural Language Processing (FNLP)**

## **Response to student feedback in 2021/22 course survey**

We looked at all the feedback from students in this course survey, and have the following comments in response.

There's *lots* of useful information here, thanks to everyone who responded. We're glad many of you found a lot to like. We've noted the many useful suggestions for improvement, which will feed into our review and planning for next year.
