“Launch.ed and ERI support made all the difference to our business. They helped us go from students to entrepreneurs.”

We're leading the City Region Deal's Data-Driven Innovation (DDI) programme

- The aim is to unlock the potential of data for the **public, private and third** sectors.
- Better understanding and prediction of trends and behaviour, leading to **better products and services** for consumers and citizens.
- Our ultimate goal is to become the **data capital of Europe**.
