

Accident/incident report

An accident/incident report has been assigned to your area of responsibility.

Incident Details

Incident Ref	6051: 01/02/2022
Incident Date	01-Feb-2022, 13:00
Location	AT-7.03
Owning School	School of Informatics
Nature of Injury	
Affected Bodypart(s)	
Description	Two unmasked students using computer lab. No visible reason for an exemption, unless chewing on a ballpoint pen counts. Spotted twice over about half an hour, so not isolated.
Immediate Response	<i>Not reported</i>
Absence Likely?	<i>Not reported</i>
Remedial Action	

Injured Party

No injured party was reported.
