Are you clear on what you need to do in the next few days?

What study skills do you feel you need to work on? How are your maths and programming skills?

Are you happy with the Programme of Study you have selected? Why have you chosen it? Do you want to discuss alternatives?

Can you say anything about what you might like to do when you finish your Programme of Study?

What course choices do you have in mind? Why?

Do you have any specific learning difficulties or health issues that might impact on your ability to study?

Is there anything else you wish to discuss?
