

## Personal Tutor Meeting Prompt Form (Taught MSc)

If you are in Edinburgh now, how are you settling in so far? Is your accommodation fine? If you are not here yet, when might you be here?

Do you have concerns about managing with the mix of digital and in-person teaching this year?

Are you clear on what you need to do in the next few days?

How are your programming skills?

Can you say anything about what you might like to do when you finish your Programme of Study?

What course choices do you have in mind? Why?

Do you have any specific learning difficulties or health issues that might impact on your ability to study?

Is there anything else you wish to discuss?
