

## **Personal Tutor Meeting Prompt Form (Continuing Students)**

If you are in Edinburgh now, how are you settling in so far? Is your accommodation fine? If you are not here now, when might you be here?

Do you have concerns about managing with the mix of digital and in-person teaching this year?

Are you clear on what you need to do in the next few days?

How satisfied are you with your recent progress?

Are there any issues that have impacted on your studies that you would like to discuss? Are these issues now resolved?

If you have any specific learning difficulties, have you requested appropriate learning adjustments?

What study skills do you feel you need to work on?

Are you happy with the direction of your studies? Are your studies leading towards career areas you are interested in?

What course choices do you have in mind? Why?

Is there anything else you wish to discuss?
